NEWSLETTER FOR THE SAN FERNANDO VALLEY CHAPTER OF THE NINETY-NINES
INTERNATIONAL ORGANIZATION OF WOMEN PILOTS

June 2023

THE NINETY-NINES® MISSION STATEMENT

The Ninety-Nines® International Organization of Women Pilots® promotes advancement of aviation through education, scholarships, and mutual support while honoring our unique history and sharing our passion for flight.

Established in 1929 by 99 women pilots, the members of The Ninety-Nines, Inc.®, International Organization of Women Pilots®, are represented in all areas of aviation today. And, to quote Amelia, fly "for the fun of it!"

Hello Everyone!

Our first post-COVID fly-in to Santa Paula was just two airplanes, but the four of us really had a nice time. Having lunch with Ruth Logan was such a treat as she is the one who took me on my first small airplane ride, starting my whole journey.

Anyway, there is more excitement to come with our upcoming events this month. On June 5, join us at Vista Middle School to promote Career Day with the kids. We have our Awards/Installation Lunch approaching on June 11 and our miniature golf night on June 17. Just around the corner is our Summer Potluck, too, so let's start planning. Does anyone have a home to volunteer? If not, we always have our trusty Whiteman Airport facilities. Let's make all these big events with good participation. We are fun people.

Love, Stacie
