THE NINETY-NINES® MISSION STATEMENT

The Ninety-Nines® International Organization of Women Pilots® promotes advancement of aviation through education, scholarships, and mutual support while honoring our unique history and sharing our passion for flight.

Established in 1929 by 99 women pilots, the members of The Ninety-Nines, Inc.®, International Organization of Women Pilots®, are represented in all areas of aviation today. And, to quote Amelia, fly "for the fun of it!"

Hello Everyone!

April showers bring May flowers. Anyway, there is so much good stuff happening and we want and need you to be part of it. Your voice matters. April 24th is our Strategies Meeting which could be a significant turning point for our chapter, as we will be making major decisions on where our chapter will be going. May 3-5 is the Southwest Section Meeting in Carson City, which our chapter is co-hosting with Reno and so far, we have just 2 delegates. It's not too late to register. Finally, June 8th is our Awards & Installation Luncheon, a special event and tradition. I look forward to seeing you at these events.

Love, Stacie
