Hello Pam,

I wanted to give you ladies an update on my degrees and to say thank you once again for the scholarship.

I completed my Bachelor's of Science in Professional Aeronautics in July with a 3.875 GPA. I am 4 classes into my Master's of Aeronautical Science and will be looking to finish it sometime this summer. This semester was almost entirely covered by the money I received from your organization and considering that the three classes that I am taking cost \$835.00 each, that is saying a lot.

I cannot say thank you enough for your help and be sure to pass on my thanks to everyone. It is money well spent. I am trying to get commissioned in the Air Force and thanks to all of you it looks pretty good. I reflect about the interview quite often and it makes me laugh every time. All of you were very delightful and made it a memorable experience.

Once again thank you, and I hope all of you have a wonderful Holiday season.

Sincerely SSgt. Timothy Newman.
