Subject: [SFV99s] Fw: Instrument Rating!

Hi there Mrs. Lyon,

I am very happy to tell all of you that I recently earned my instrument rating! I could not have done this without the help of the 99's. You ladies are awesome and I am so very grateful for your generosity. I have already started on my commercial rating with the remaining scholarship money! I hope all is well with you and the rest of the 99's and please relay my thanks to the rest of them for helping me get this rating.

Peter
