Subject: Good News

I am glad to report to all the San Fernando Valley 99s that On May 2nd 2014 I officially graduated from Utah Valley University with a Bachelor's degree in Aviation Science. I am also using the free time I now have to attain my commercial pilot certificate. I am going to start Vista Aviation's fast track program for the certificate in a 172RG. I would ask the 99's to send the last of the scholarship money to Vista Aviation for the training.
